 Will appreciate not facing And Tell Me Nolies as that gal beat this filly in her 3 starts; 'Nolies came back to run 8th in the G1 BC Juvenile Fillies; doesn't face that caliber and while 'Nolies beat her she didn't embarrass her; got a taste for a route when 4th in the G2 Chandelier at SA last time out Oct. 8; Mandella ran her vs. winners in graded stakes in her last 2, despite the fact she was a maiden and that should tell you something as Mandella doesn't usually go that far outside the lines; should enjoy being back in vs. maidens; 3 sibs to race are winners including Turing Machine (46-4-8-6, \$149K).

 Ran on decently to be 2nd in her sprint debut here Aug. 21, and while no match for a big winner that was a nice Baffert she chased; wasn't seen for another 2 months and came back routing and on turf at SA Oct. 23 but was one paced to end up 5th; back to dirt, which may help, and at least that Oct. 23 run gives her a feel for this trip; has 3 works since including a snappy 5f move here Nov. 13 (:59); 1 of 2 sibs is winner Lady Aces (6-1-0-3, \$95K, had 2 SPs including 1 G2, 1 G3).

 No factor at any point in first 2 starts; in her defense, those WERE just her first 2 starts so you can be forgiving; also, start No. 2 came on turf; well, she's back to dirt and moves to a longer game today which might help; cost \$240K so there are likely some expectations and she's bred for this longer game as daddy was a multiple G1 SW routing, produced HOY Gun Runner, multiple G1 route SW Shared Belief and multiple G1 route SW and champion 2yo filly Echo Zulu, to name a few; bullet Nov. 19 encourages, too; 3 of 4 sibs are winners including full-bro Flamingo Hawk (20-4-5-1, \$170K).

 First 2 starts, both sprints here in the summer, were encouraging as she showed speed before running 2nd Aug. 7 and then bided her time before plugging along for 3rd Sept. 11, albeit well beaten, though that heat was flattened (produced 2 next-out winners); freshened since and moves to a route for the first time; that sprint speed shown in her debut could translate to her being forwardly placed from the start and it's most encouraging Hernandez rides; cost \$240K so there are likely expectations; lone sib is Last Offense (4-0-0-0, \$3K).

Question is, were those last 2 improved efforts functions of maturity and experience, moving to turf or moving to a route?; well, maybe a bit of each; the good news is at least the maturity/experience aspect and route still apply here; back to dirt and while his only 2 dirt starts weren't much those were also the first 2 starts of his career and came sprinting; certainly bred for dirt, too; 2 of 4 sibs are winners including Elizabeth T (10-2-2-0, \$51K). -Michael Hammersly

CLOSER LOOK: Considering the way he finished in that N1X going 11fs at BAQ Oct. 21 you'd think he'd handle this trip; only prior try at 12fs saw him finish 2nd, a run that looks better when you note the winner Nations Pride is a G1 SW and next ran 5th as the FAVORITE in the G1 BC Turf at KEE; certainly isn't facing anyone like that here; bullet work Nov. 20 says he's doing well and it's encouraging Velazquez rides; Motion didn't ship a bunch of horses here just to see the beach.

Only prior 12f try wasn't much, but it also came in a very tough G1 in France 16 months ago; 4 U.S. starts have been mixed, though his 4th in the G2 John Henry at 10fs at SA Oct. 1 wasn't bad, particularly when you note it was his first start in 2-plus months; that said, he remains a question mark at this trip and while this isn't the strongest renewal he's yet to show he can beat this caliber.

Pressed the issue going a mile vs. allowance foes at SA Nov. 4, challenge for the lead into the lane and gamely prevailed, so he comes here in good form; that said, it's a new, much longer trip than he's seen before and foes tougher than he's seen before; at least seems on the upswing but those aforementioned hurdles are not insignificant.

You can probably draw a line through that G3 Tokyo City run at SA Oct. 2 as it was his first try on dirt and he didn't take to it at all; if you do that, you're left with some good turf form, including a win going 11fs here Aug. 5 and a sharp 3rd going longer (about 15fs) at SA June 19 so the distance isn't an issue; cost \$450K so there were once big expectations here; only prior local try resulted in that big aforementioned win Aug. 5 so he handles this place.

Yet to win in 6 turf starts so you worry this ground isn't his forte; at least has run decently on turf but nothing that gets the pulse racing; must not only deal with the footing, but it's longer than he's accustomed to; at least was a good 4th going about 15fs on turf in a G3 at SA June 19 so he doesn't seem completely out of place; still, as noted he's yet to show this is the ground he prefers, he's facing foes who DO consider this ground their forte and doing so after 4 months on the bench.

Continues his good form; that includes a 3rd in a G2 at SA Oct. 1 and then a nice 2nd in a restricted stakes there last time out Oct. 29; of course, this is a new longer trip but the tactical speed he showed in those shorter races likely translates to him being prominent from the start here; done his best work on this course, too (his 2 career wins came here); yes, the distance is an issue but those last 2 show quality and as noted above this isn't the strongest renewal of this we've seen.

Only prior try at this trip saw him a sharp 2nd at SA in the spring; that came in a G3, too, so it shows he handles this game and fits well vs. these; form since has been solid, too, including a sharp 2nd going 10fs in a G2 at SA last time out Oct. 1; has some tactical speed and versatility to give his rider options and you have to like how his Beyers have crept north in recent months. -Michael Hammersly

Continues his good form; that includes a 3rd in a G2 at SA Oct. 1 and then a nice 2nd in a restricted stakes there last time out Oct. 29; of course, this is a new longer trip but the tactical speed he showed in those shorter races likely translates to him being prominent from the start here; done his best work on this course, too (his 2 career wins came here); yes, the distance is an issue but those last 2 show quality and as noted above this isn't the strongest renewal of this we've seen.

Ran on decently in his dirt sprint debut here Aug. 20, was then gone 2 months but came back to run on well again at SA Oct. 29, that time routing on turf; pedigree says routing should be his game and the move to dirt may aid as well as while he handled turf last time he might prefer this ground; worked a couple times since; that said, so far he's shown a lack of early interest and both times was left with far too much to do turning for home; if that's a pattern it's a bit worrisome; 5 of 10 sibs to race are winners including Windsurfer (38-6-7-7, \$150K).

Son of Triple Crown winner and HOY Justify made a nice midrace move at LRC last time out Sept 17 but couldn't sustain it to end up a well-beaten 3rd; that was still a decent first route attempt; hasn't been seen since so there's a bit of a layoff but he's got a bunch of fast works in the interim; didn't get much help from the draw as he's mired on the far outside; seems headed the right way but surely another move forward is required to make him a player, though that's by no means out of reach. -Michael Hammersly

CLOSER LOOK: Some good work here last winter, on this course, no less; trouble is, she hasn't been seen since; the good news is she's been working steadily and while she moves in for a tag it's not to the bottom level so it's not as if this is some fire sale; didn't miss by much on this course at this trip when last seen and she's got the tactical speed to utilize the rail and be in it from the start.

Yet to make much of a dent in 6 starts; the good news is maybe her best effort (4th) came on this course at this trip at this level Jan. 8; trouble is, she was then dull when 7th at this level here Feb. 4 and hasn't been seen since; at least there's no big drop for her return, she's worked well of late and her pedigree says this trip suits; still, that layoff is a bit disconcerting and she certainly has to come back a better filly than she was before to have a say.

No factor at any point in 4 starts, 3 of those on turf; yes, those 3 came sprinting and we're routing today but again she wasn't really involved at any point, at least not enough to make you believe this move to a route for the first time can get her turned around; 3 tries (2 on turf) came for this price, too, so it's not as if she gets some class relief; lack of any speed sprinting also likely means she'll have work to do turning for home if that's how she runs on the stretchout.

Seemed headed the right way in the fall of 2021 including a good 2nd at 9fs on SA turf; trouble is, then came some deteriorating form last fall/winter, a long layoff (8 months) and a dull return in an SA turf sprint Oct. 22; at least there's not another layoff and no drop and she's worked well since but that good form is getting smaller in the rearview mirror, isn't it?

That 5th on this course at this trip Sept. 10 vs. straight maidens wasn't bad at all as she was in the thick of it at the eighth pole and got beat by only 1 3/4 lengths; wasn't as effective when next 5th at SA Oct. 22 when dropped in for this tag but that was sprinting and maybe she needs a longer game; well, she gets it here, there's no further drop, she's proven effective on this course at this trip and Hernandez sees fit to ride; kin to Cistron (G1/G2 SW on dirt, G3 SW and multiple SP on turf).

No real threat in the lane in her 4 starts, but she didn't run badly either; kept to her task to pass a few to run 4th in a turf sprint at this level at SA Nov. 6; maybe she'll be better with today's added ground and that was also her first start in 9-plus months so there's reason to believe she can improve; worked since and it's nice to see Velazquez sees fit to ride; too early to give up on, though you surely want to see a move forward.

Not only has had a number of chances, many at this trip on this footing, she's yet to do much damage; in her defense, the bulk of that work came vs. tougher, but even if you focus on her last start at SA Oct. 8 at this level she wasn't really a factor; oh, she at least kept to her task to pass some and run 5th but she was no danger; in fact, that lack of speed has been a real bugaboo as she's too often left herself with too much to do turning for home; 2 sibs have yet to win.

 AE's sire gets over 8% of winners, over 7% first time turf winners, over 12% overall turf winners, won 15-4-2-4 for \$326K, 7-1-2-2 on turf, won 1 G3 on turf, had 3 SPs on turf including 1 G1, 2 G2s; dam has 5 winners from 6 foals to race including Big Bella Brown (44-10-9-7, \$323K, 1 SP, 2-0-0-0 on turf) and Isolation (turf winner); dam was 18-6-7-1 for \$182K, 7-1-4-1 on turf, 2 SPs; plenty of works for this first run to indicate ample bottom, though it's no easy feat to debut going long; on top of that, she'll have a brutal post if she gets to play.

AE has yet to make much of a dent in 8 starts, 5 on turf; best finish came on this course at this trip but that was still a non-threatening 4th (beaten 11-plus lengths) and came over 15 months ago; dirt sprint return here Nov. 11 wasn't very pretty and now she's asked to move up in price and will have the worst of the draw if she goes. -Michael Hammersly
