CLOSER LOOK: He was a bit sluggish at the break, was hustled to keep his inside path but failed to gain ground and finished evenly. The class drop should help but he needs a sharper break.

 She broke okay from the inside post, accelerated nicely midway to grb the lead but could not hold on in the last few yards. It was a solid effort against some good runners and she should enjoy cutting back in distance.

 She broke very well from the outside post, was battling for the lead but could not edge out the top two. It was a good clean trip with no excuses. She was just third-best. -Jose Contreras
