CLOSER LOOK: His overall dirt form has been solid and it's worth noting that he's making his first start for the Asmussen barn after being claimed out of his latest race for \$30,000; if a few of these decide to mix it up on the front end, this gelding will be happy to sit out the early running and make a late bid.

The improvement was noticeable at second asking while making his first start as a three-year-old, and now he shows up for the barn of Linda Rice after being claimed for \$30,000; this barn can improve one with the best of them, so have to label this one a contender.

He only beat two to the finish in his career debut after going to post at just under 75-1 and his connections will hope that he can prove to be capable of better against maiden claimers; he does have a win-early pedigree but leaning toward others in here.

CLOSER LOOK: This should be a fun one - 1 1/2-mile maiden race with a large field; this is first foal from dam who didn't do much running and colt likely has ability and a pedigree suited well enough for the trip; 8 returnees from latest are 1-1-1-0 in their next starts with neither of the top pair having yet returned; a handful of those returnees have improved markedly in the Beyer dept; barn a very lively 25% strike rate with all runners going 2nd-off-a-layoff-of-150-days-or-more over 5 years (4-for-last-10 when they're turf routes); certainly well meant here.

Just the one grass test in his life to date and the jury is still out as to whether turf is going to be his forte; sire connects with 9% winners on the lawn and dam was ordinary in only grass attempt; then there's the distance - mom was 1/15 lifetime, scoring over 1m40yds in the slop; not much says this guy will get going significantly farther; he fired a big shot on this main 13 months ago but local enviros have stymied him since; lost in this shuffle?

Blinkers come off now for barn in the 20-22% range with that move; pair of steady turf tests under foot and plenty of pedigree for turf and for distance; barn 20/77 over 5 years when SWITCHING to J. Ortiz on turf; he's in the hunt figure-wise but doesn't have the improvement potential known to younger foes.

Sire gets only 4% turf winners and mom was 2-for-13 in the grass, all in sprints; lone sibling tried the lawn twice, ran 3rd in one of those; 2nd dam never tried the lawn; not getting the feeling that turf AND extended distance are really to solve this guy, particularly with the move from Indiana to Kentucky; at least the colt boasts improving figures on the main track.

Add blinkers now for runner with plenty of turf and distance behind him; he also totes the top two BSF's earned on the lawn by any of these, AND he's only 3; mom scored going 8.5 furs. on grass and a sibling won going a mile on the lawn; another new jock tries hand on runner who has burned a lot of cabbage of late; can see wondering if the blinkers will work against runner hoping to navigate 3 additional furlongs.

Here's a FIVE-year-old maiden who isn't likely the sort for which distance and plenty of it will cure his woes; pedigree does suit the additional yardage and a trio from his last race did return to be 1-3-4 in the same, shared affair here on 6/6 while ju st validating the 5/9 figures; considerable improvement is needed while perhaps just some is due in 2nd off the long rest; that 11/1 effort was good in a raced that produced 3 next-out winner but the 11/1 contest also favored closer types.

This has to be the wise guy horse in this spot; he's by an 8% debut sire and from a speedy dam who won first out going 9 furlongs on the lawn; damsire is the Aussie great who won multiple Gr. I events at 10 furlongs on sod and never tried anything long or; pair of sibs won going long on turf but they're only 3-for-63 combined (4 starters); pedigree leans hard toward distance and the great Australian marathon influence, Zabeel, is present in his lineage too; don't mind so much a JUNE foal not raced until 4; working steadily at Turfway SINCE FEB. missing perhaps just the one weekly drill along the way; jock 1-1-0/2 with firsters for the barn; looks sneaky good.

Add blinkers now to runner who bombed only turf test; lots of talent in the family and obviously the 12 furlongs should be a good fit with dad having won the Triple Crown and Curlin having missed by a head in the Belmont Stakes; barn a solid 7-for-26 over 5 years when adding blinkers to maidens; colt certainly does need a form reversal.

Fair to imagine that he needed latest while there was a hint of realistic figure improvement with maturity since previously raced; gonna need another step forward to threaten the best of these; plenty of names for turf and distance in the pedigree; siblings 1-1-0/10 on the lawn while dam ran 4 times, all on turf, 2nd or 3rd as the favorite in each; barn 0-5-6-1/31 over 5 years with turfers making 2nd start after a layoff of at least 180 days; can threaten with a big step forward, which isn't entirely y out of the question.

This has to be the wise guy horse in this spot; he's by an 8% debut sire and from a speedy dam who won first out going 9 furlongs on the lawn; damsire is the Aussie great who won multiple Gr. I events at 10 furlongs on sod and never tried anything long or; pair of sibs won going long on turf but they're only 3-for-63 combined (4 starters); pedigree leans hard toward distance and the great Australian marathon influence, Zabeel, is present in his lineage too; don't mind so much a JUNE foal not raced until 4; working steadily at Turfway SINCE FEB. missing perhaps just the one weekly drill along the way; jock 1-1-0/2 with firsters for the barn; looks sneaky good.

Add blinkers now to runner who bombed only turf test; lots of talent in the family and obviously the 12 furlongs should be a good fit with dad having won the Triple Crown and Curlin having missed by a head in the Belmont Stakes; barn a solid 7-for-26 over 5 years when adding blinkers to maidens; colt certainly does need a form reversal.

Fair to imagine that he needed latest while there was a hint of realistic figure improvement with maturity since previously raced; gonna need another step forward to threaten the best of these; plenty of names for turf and distance in the pedigree; siblings 1-1-0/10 on the lawn while dam ran 4 times, all on turf, 2nd or 3rd as the favorite in each; barn 0-5-6-1/31 over 5 years with turfers making 2nd start after a layoff of at least 180 days; can threaten with a big step forward, which isn't entirely y out of the question.

Here's a FIVE-year-old maiden who isn't likely the sort for which distance and plenty of it will cure his woes; pedigree does suit the additional yardage and a trio from his last race did return to be 1-3-4 in the same, shared affair here on 6/6 while ju st validating the 5/9 figures; considerable improvement is needed while perhaps just some is due in 2nd off the long rest; that 11/1 effort was good in a raced that produced 3 next-out winner but the 11/1 contest also favored closer types.

Career-best Beyer in latest in what was 2nd try off the long rest; consider that he has raced just thrice since 2yo season and then imagine as we do that another step forward could be in the offing; he had a mess of a trip on May 1 so you should probably draw a line completely through that one; only returner from the 5/25 affair went to Indiana, won on DIRT, and boosted his Beyer by 15 points; runner is kin to Tom's d'Etat (11-for-20, \$1.7 Mil.) and Forever After All (4-10-2/25, \$827K); the latter won by 9 last year over 12 furlongs on Kee sod; rates a spot on the short list.

Major improvement when moved from synthetic to dirt in 2nd start while also given more distance; long and steady set of a.m. drills sire won only sprints while he hasn't been a good turf sire (9-for-165 there); this is first foal from mare who was succes sful going 9 and 10 furlongs in Brazil; barn just 2-for-45 over 5 years with all dirt-to-turf maidens but this one did exhibit some ability in latest so there must be some hope here if he can first get in. -George Cottrell
