Do you think she was pointing for that race 3 weeks ago? - 80-1 and last all the way; not much changing here other than the recent race under foot; this one cracked the top 6 only once - a record very difficult to maintain in almost-2026; tried synthetic enough to afford us a general expectation.

Well she DID get to post before the end of 3yo season and there was trouble at the start so maybe her INexperience edge over these will pay dividends now; top pair one-two all the way in latest, but did that boost her finish or work against her?; at any rate, 2nd-out improvement could get pretty far vs. these.

This gal has really been a teaser given the five superfecta finishes (and when compared with today's foes); she has some tactical speed and that could really help vs. this lot; top pair in latest ran one-two all the way so it may be the case that this gal's effort was better than seemed; lots of water under the bridge.

Credit her with 9 of 13 in the superfecta though she makes no serious effort toward graduating; don't know HOW she feels about real dirt exactly, but it doesn't hurt to be relatively proven on synthetic and quite familiar with the short trip; buy win tic kets only sparingly.

Drops in class and tries the Tapeta for the first time and we are all for anything different; distance Tomlinson of 357 is solid so maybe this colt is better going short at least for now; turf breeding is average at best; nice to see Gaffalione get a leg up; this is dam's first foal so no help there; lone work down here was on the grass yet connections opt for the synth; like others more while understanding that a better effort is more likely than not.

Has a 199 turf Tomlinson so we are going to say that the green isn't for him; we would rather see this guy on the dirt but the Tapeta is the choice; three of six sibs beat winners and all earned over 100K; a better start will help; trainer stats are solid and debut rider stays put.

Draws nicely and puts three races together; two of four sibs beat winners and both earned over 200K; seven panels off a layoff two back is a tough spot; second time on the Tapeta has to help; perhaps Morelos is a better fit for this horse and the blinker s come OFF; this gelding did beat over half the field home in his debut; a few things to like.

Has speed and draws outside; we think this guy is quickest and finds the front end; team Maker are 17% going special weight to maiden claimer; this colt exits a super key race where 5 of 8 returned to win with figs of 73, 67, 61, 33, and 50; this colt has to be more mature now and that means faster; all wagers start here. -Scott Ehlers
